Beverage Challenge

Event Details: (Level 1, 2, or 3. This is an individual event.)

Directions: The challenge is to create a specialty drink (think dirty soda, boba tea, specialty lemonade, etc.) that is unique to you! Student members will present the finalized drink for judging. All items must be made prior to the event and kept at a safe temperature. The recipe must be homemade without any pre-made mix or product. Contestants must use at least three ingredients to create the drink. Please include a recipe card, a placard, and styling with something related to the drink – glass, cup, etc. for displaying your creation.

Students will have minimal space for drink creation.

Identification: Placard should include drink name, member name, chapter, and level

Submission: On-site at event
